Relief in the matter of payment of Land Revenue on account of failure of monsoons, during 1918-19.

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

The marginally noted letters from the Revenue Commissioner in Mysore submitting reports, together with statements of cases regarding relief in the matter of the payment of land revenue in the several districts, on account of the failure of the monsoons and consequent inadequate supply of water in the tanks during the year 1918-19.

No. F. C. 258, dated 4th March 1919.
Do dated 15th March 1919.
Do dated 26th March—2nd April 1919.

Do dated 4th April 1919.
Do dated 9th April 1919.
Do dated 9—10th April 1919.
Do dated 14—15th April 1919.

ORDER No. R. 13579-88—L. R. 375-18-13, DATED 24TH APRIL 1919.

Government have made careful enquiries regarding the outturn of wet and dry crops in the several districts and obtained carefully prepared estimates. In view of the fact, that large areas of wet lands in some districts, particularly Kolar and Tumkur, remained uncultivated, and that in a large portion of the cultivated area, the crops have almost totally failed, Government consider that some relief to the raiyats is called for in the matter of payment of land revenue during the current year, as a matter of special concession, owing to unfavourable change of the season due to failure of the monsoon. They are however of opinion that such concession is required only in cases where the lands have not been cultivated at all, or the crops have totally failed, inasmuch as in the other cases where the raiyats have raised some crops, however small, they have realised very good prices for their crops, the prices of food grains having ruled invariably high throughout the year and showing a tendency to continue to do so for sometime to come.

As regards dry crops, although they have generally been very poor, the abnormal high prices of ragi and horse grain realised by the raiyats do not justify the grant of any concession with regard to this class of lands.

2. The Revenue Commissioner has already been informed in letter No. R. 12639—L. R. 375-18-4, dated 29th March 1919, that no suspension of the collection of revenue is justified anywhere this year.

3. Having regard to the considerations set forth above, the Government are pleased to sanction the grant of remission, in the current year, of half the wet assessment in the case of all wet lands under tanks, which have *not been cultivated* at all or in which the crops have *totally failed*, in the taluks and districts specified in the annexure.
